Software Installation Process

Now we will discuss about the steps how to install the Vartika Outlook PST Converter Software. Before installing the software read out the basic requirement of the software.

System Requirement

- Memory 512 MB
- Hard Disk Space At least 15MB of Disk Space Required.

Download Vartika Outlook PST Converter Software

https://www.vartikasoftware.com/download/outlook-pst-converter-32bits.exe

Follows below steps to Install Software Completely

- Install Vartika Outlook PST Converter software through dual clicking on software setup file.
- Follow all display instructions. (When software installation process complete, an approval dialog box will opens-up on your display.)
- Click the Finish button and open the software

For any queries related to product, contact us at: support@vartikasoftware.com Steps to Uninstall Vartika Outlook PST Converter Software

You can uninstall Vartika Outlook PST Converter Software from your computer through following two methods:

Note: Before starting the un-installing process, make sure that the Vartika Outlook PST Converter Software is not in use.

From the Windows Start Menu

Follow provided steps to quick uninstall Vartika Outlook PST Converter Software from Windows Start Menu

- Click Start » All Programs » Vartika Outlook PST Converter Software » Uninstall Vartika Outlook PST Converter Software. (A Threatening message seems on your computer screen before un-installing. Click yes to uninstall the software :)
- Afterward this step, Vartika Outlook PST Converter Software setup will start the process of uninstalling the software from the computer system.
- Afterward this Vartika Outlook PST Converter Software will be efficaciously uninstalled from the processer system. Click on OK to near the window.

From the Control Panel

Follow provided steps to quick uninstall Vartika Outlook PST Converter Software from Control Panel:

- Click Start » Control Panel. The Control Panel window opens-up.
- Double-click on "Add or Remove Programs" icon. A list of the programs installed on your computer appears.
- Select Vartika Outlook PST Converter Software and click the "Remove" button. A threatening message beforehand un-installing the software will be exhibited on the screen.
- Click the Yes button to un-install the software.
- Click the OK button

Vartika Outlook PST Converter Software will be efficaciously uninstalled from the processer system. Click on OK to near the window.
